

Tay Township Water Efficiency Rebate Program

Start saving with a \$100 rebate from the Township when you buy a water efficient toilet.

To be eligible for the cash back offer the property must be connected to the Tay Township Permanent Year Round Municipal Water System, and you must select a toilet from the Pre-Approved list as follows:

- American Standard - Cadet or Champion model
- Crane - Eco-Miser model

The benefits of installing a low flush toilet will get you cash back, reduce household water use and extend the life of the Waste Water Treatment Plant.

Conditions for Payment:

- The toilet must be one of the three models from the pre-approved list. (5.5 – 6L flush volume)
- Provision for a site inspection by a Township employee during installation and/or up to a period of 6 months from the payment date.
- Meet the disposal guidelines
- Original bill must be provided with the application.

Applicants Responsibility:

Each applicant must assume all financial responsibility for installation, rough in and disposal of the old toilet.

Disclaimer and Release:

The Municipality makes no representation or warranty either expressed or implied, relating to any 5.5 - 6L toilet, competence, workmanship, or financial status. By submitting an application or agreement each Applicant must agree to release the Township fully with respect to any claims for costs/liability in connection with replacement of old toilet and/or purchase, installation of new toilet for the purpose of participating in the program.

This offer is subject to cancellation without notice, as the program is limited to available funds.
