

**9th Annual**

# Frosty Frolics Winter Carnival

**February 12-14, 2010**

## *Tay Township's 9th Annual Frosty Frolics Winter Carnival was a success!*

A special thank you goes out to all the individuals, volunteers, organizations and businesses that contributed to the success of the event that took place in Tay Township over the weekend of February 12-14, 2010.

During the event, residents and visitors took part in various activities throughout the Township, making Frosty Frolics a true community event.

Without the continued support from the community, Frosty Frolics would not have been possible. Thank you for your support and we hope to see you again next year on February 11-13, 2011!

*Bryan*
