MUNICIPAL WATER AND/OR SEWER CONNECTION APPLICATION

Permits

Homeowners are responsible for obtaining a permit prior to the repair or connection to the municipal water or sewer service.

The fee to connect to the municipal water or sewer is as per the current fee By-Law.

Water and sewer services are invoiced on a quarterly basis, in arrears. The effective date for billing purposes is the day that the connection is made to the system at the property line.

Application

Please fill out the attached application and indicate which service to which you will be connecting to.

Please note that all fees are payable when the application is submitted.

Once the application is received it will then be reviewed and if all the necessary information is received, a permit will be issued.

Construction

Once your permit is received, construction may begin. Please refer to the attached Water and Sanitary Service Checklist for guidelines.

As per By-law 2010-69, no contractor or plumber shall operate the municipal water shut off valves on Township property. Tampering with the shut off valves will result in a fine.

Inspections

Please call for an inspection at 705-534-7248, ext. 220, when:
Water service pipe – prior to backfill (provide pressure test)
Sewer pipe – prior to backfill (provide ball test)

Please note that we require 48 hours notice for inspections and require the attached Water Service and Sanitary Sewer Layout form to be filled out and on site at the time of inspection. The inspector will not be able to pass your inspection without this.
